Step 3: Compare with confidence!

Not sure if you're comparing Apples to Apples? We can Help!

When comparing AEDs, distributors and training providers, there is a lot to consider. Use this checklist to see how we compare against the rest:

- 1) Do you register the AED I'm looking at purchasing, with the Heart & Stroke Foundation of Mb.?
- 2) Do you have a medical director overseeing your first-aid, CPR & AED programming?
- 3) If the AED is ever used, will you download the incident free of charge?
- 4) If the AED is ever used, will you replace the used set of AED electrode pads free of charge?
- 5) Do you offer Critical Incident Stress Debriefing (CISD) in the event of the AED being used?
- 6) Do you have AED servicing videos available on your website free of charge?
- 7) Do you have servicing / maintenance checklists on your website free of charge?
- 8) Do you provide automatic email notifications when electrode pads & batteries need to be replaced?
- 9) Do you provide automatic email notifications when participants need to be retrained?
- 10) Do you offer program reports when needed for budgeting purposes upon request?
- 11) Do you offer group training that can be done at our location?
- 12) Do you have a training facility where you have scheduled courses to send people to get trained?
- 13) If I am to purchase the AED, do you accept Visa, Master Card, AMEX or debit for payment?
- 14) Do you offer a "Lease to Own" financing option?
- 15) Will you keep track of our existing AEDs and remind us when they need to be serviced?
