Looking For Value Added Training For Your Training Dollar? We Do That!

" The bitterness of poor quality lingers long after the sweetness of low cost is forgotten"

- L. Porteous Fenster -

CANADIAN FIRST-AID TRAINING Ltd. provides the following list of value added components to all our in-house and out-course First-Aid, CPR and Automated External Defibrillation (AED) training. Some of them include:

- Professional, fun and knowledgeable staff certified as Authorized Providers with the **CANADIAN RED CROSS**.
- We teach at your location and at your convenience
- Show up early for course set up.
- Provide course specific manuals for students to keep. We only use accredited material developed by the **CANADIAN RED CROSS**, which is recognized in over 180 countries around the world!
- **CANADIAN FIRST-AID TRAINING Ltd.** teaches to the new 2010 ILCOR (International Liaison Committee On Resuscitation) guidelines for which the **CANADIAN RED CROSS** is a participating member.
- Relaxed atmosphere when teaching.

At CANADIAN FIRST-AID TRAINING Ltd., we:

1) Adhere to best practice recommendations for all training. This includes:

- 1 manikin/person ratio for all CPR (No sharing with other people!!!)
- Floor mats for CPR training (no more sore knees!!)
- Flat screen TV w/ DVD capability* (No Extra Charge!) – Out courses
- Whiteboard* (No Extra Charge!) – Out courses

2) Only use top of the line equipment. This includes:

Demonstrate, fully explain & use:

- **Automated External Defibrillator (AED) trainer units:**
Philips Health Care Canada - Authorized Distributor
- *Gauze roller and triangular bandages, gauze non-stick pads, splints, etc. for all first-aid practical exercises (course specific)*
- **Epipen® & Twinject®** trainer units for practical exercises (i.e. severe allergies – anaphylaxis) *(All first Aid courses)*
- **Manitoba Regulations First Aid kits.** *(All first Aid courses)*
- Proper usage of Asthma puffers and Aero-Chambers® - i.e. (Spacers), etc.
- Proper bandaging techniques are shown in every First-Aid Course we offer - (i.e.: Emergency First-Aid, Child Care First-Aid (1-day courses), Standard First-Aid (2-day course), etc.

3) Also do the following at no extra charge:

- We customize the course to the knowledge of the group (i.e. take prior history into account).
- Comprehensive review throughout the day
- Full Explanation of **Manitoba Good Samaritan Protection Act** (Enacted – Dec. 7th, 2006).
- Full Explanation of **Manitoba - The Defibrillator Public Access Act**

After training has been completed, we will:

- Stay afterwards to answer all questions, concerns and comments resulting from the training and leave each participant with contact information for any concerns, which may result from training.
- Students receive 1 wallet certificate and 1 wall certificate* (8.5x 11) - (*First-Aid courses only)
- Company/organization will receive copies of all certificates in a separate folder and all participants will be entered into our course management system. Notification of expired certificates to company / organization after 3 year period or upon request
